Dear Commissioner:

Pursuant to 37 C.F.R. §1.322, Patentee hereby requests a Certificate of Correction be issued to correct an error noticed in the issued patent.

Applicants assert that there are typographical errors in claims 4 and 5. These typographical errors are errors by the Office. Below are claims 4 and 5 showing the corrected needed:

4. The card of claim 1, wherein said first transponder is operable to receive said first RF interrogation signal, authenticate said first ~~RE~~ RF interrogation signal, and transmit a transponder account data, said card further comprising:

a transponder authentication circuit in communication with said first transponder for authentication of a first verification data; and

a transponder database for storing said transponder account data, said transponder database in communication with said first transponder.

5. The card of claim 4 , further comprising:

a second transponder associated with said card, said second transponder responsive to a second ~~RE~~ RF interrogation signal, said second transponder operable to receive a second RF interrogation signal, authenticate said second RF interrogation signal, and transmit said transponder account data; and

an authentication circuit configured for authenticating a second verification data, said authentication circuit in communication with said second transponder.

If there are any questions or unresolved issues, the undersigned would welcome a telephone call to the number shown below.

Respectfully submitted,

Date: March 25, 2008
